OLIVIA NEST

Experience
the true
comfort of
a nest

Sarjapura, Bengaluru

After all our pursuits we need
a nest to come home to!

Every morning leave your nest and soar high; spread your wings and fly.
Build your nest so that it will be the sanctuary you can return to!

To every bird his own
nest is beautiful -Italian Proverb

A statement anyone would agree to! To each,
his own home looks the best. Build your
beautiful nest in the way you have imagined it to be!

A nest is more than a
place of dwelling
It's a **symbol of hope**

Our home absorbs all our negative energy and recalibrates us for the next day, the next challenge. Make sure your nest meets life's challenges!

Get **the best builder**
to build your nest

Sowparnika has built many housing projects,
and is the right partner to build your dream nest.

Luxury that's dear
to your heart and **near**
to your workplace

**Stay connected to
all the good things
life has to offer**

Sarjapur is an ideal location with connectivity to key IT cluster areas like Marathahalli, Whitefield and Electronic City. Sarjapur Road is connected to other major roads of the city such as ORR, Hosur Road and SH-35.

Sarjapur Road enjoys presence of several schools, hospitals, retail stores, eateries, movie halls, banks, etc. Key infrastructure includes Columbia Asia Hospital, St. Peter's School, Sarojamma Complex, and Market Square Mall. Colleges and institutes situated in the areas alongside and nearby to Sarjapur Road include Krupanidhi College of Pharmacy, National Institute of Fashion Technology and St. John's Medical College.
