Lodha is India's largest real estate developer, delivering thoughtfully designed, premium residential and commercial developments that shape urban lifestyles. Designed as nurturing environments that enrich the lives of our patrons, our developments bring together exemplary design, attention to detail, and unparalleled service.

By forging strong partnerships with global leaders in lifestyle, design, and architecture, using the best people and processes, delivering to the highest level of customer expectations, and benchmarking ourselves against the best in the world, Lodha consistently delivers the world's finest developments that enable our patrons to fulfil their aspirations and elevate their lifestyle.

With four decades of experience in redefining real estate, we have developed the expertise to deliver both on quality and scale – at a pace that is unmatched in the industry. Following our philosophy of 'doing good and doing well,' we are committed to using our capabilities to support the nation's growth and progress, creating a positive impact on the environment and society even as we grow our business.

Lodha recognises the profound impact of design and service on wellbeing. Thoughtful and purposeful design in living spaces can significantly enhance both the environment and holistic user experience.

We are committed to surpassing the expectations of our customers by providing innovative, world-class solutions. We carefully curate events and experiences to delight them and their families, ensuring they relish an enriched and empowered lifestyle.

At Lodha, we understand the responsibility that comes with creating homes and workspaces for an ever-changing tomorrow, where luxury and sustainability can co-exist in perfect harmony.

CREATING A POSITIVE IMPACT

We have both a responsibility and an opportunity to create a positive impact on the environment and society, to ensure a brighter future for India.

PIONEERS IN SUSTAINABLE CONSTRUCTION

To reduce our impact on the environment, Lodha has partnered with US-based think tank RMI to research, pilot and create a blueprint for sustainable construction.

98% share of renewable energy in total electricity consumption

Our Indian Green Building Council (IGBC) green-certified footprint crossed 50 million sq. ft. in FY24

DESIGNING FOR A SUSTAINABLE FUTURE

Our projects are designed to be resilient to climate change and to enable residents to live a more sustainable lifestyle.

100% of wastewater in our projects is recycled and reused in flushing and gardening

Water-saving faucets and showers reduce water consumption by 35% without compromising on experience

More than 75% of the regularly occupied spaces in our homes are daylight to reduce electricity consumption
