Zen at the Centre

Welcome to Asset Banyan Court. Designed around a living courtyard, with a banyan tree at its centre, this is a home that reaches your heart before everything else. Light moves slowly here. Days stretch quietly. And life finds its own rhythm.

Banyan Court is set in Melechovva, right off the airport highway and just a kilometre from the upcoming six-lane NH. It connects you to everything. And never at the cost of peace.

Because when the world moves fast, it helps to live at the centre and still in zen.
